Head of AI

ANT International

A woman with short dark hair and bangs is wearing a light brown suit and futuristic glasses. She is walking through a modern, brightly lit shopping mall with large glass windows and colorful, flowing decorative elements. Several transparent, floating rectangular panels display text in both Chinese and English. One panel on the left shows '爆款新品' (Hot New Products). A panel on the right shows 'Volvo bars' and '奥尔退款' (Al's Refund). Other panels show 'Qwen' and 'TECH BY HANG'. In the background, other people are visible, and small robot-like figures are hanging from the ceiling.
